Summary:

Motivated IT graduate with hands-on experience in **React.js, JavaScript, HTML, and CSS**, with knowledge of **Python and Django**. Experienced in building **interactive web applications**, including an online banking system and professional projects during **ONGC internship**. Passionate about creating **user-friendly, responsive web solutions**.

Education:

Hemvati Nandan Bahuguna Garhwal University, Srinagar, Uttarakhand

2021 – 2025

Bachelor of Technology in Information Technology

GPA 7.05./10

Experience:

Web Development Intern

Jun 2024 – July 2024

ONGC Intern

- Assisted in the design, development, and maintenance of responsive web applications using HTML, CSS, JavaScript.
- Created technical documentation for web development processes and project requirements.

Projects:

Frontend Fusion | JavaScript, HTML, CSS

June 2024

- Built a website for ONGC, contributed to the design and development of the Oil and Natural Gas Corporation.
 - Implemented a robust and maintainable front-end codebase using JavaScript, HTML, and CSS.
 - Developed animations that were compatible with multiple browsers and devices.
 - Collaborated with the ONGC team to ensure seamless integration with existing systems and infrastructure
- (Repo: [Shreya9808/ONGC-Project](#))

Banking System | JavaScript, React.js, CSS, JSON-server

- Developed an interactive online banking web application using React.js with **JSON-server as a mock backend**.
 - Implemented **secure user registration, login, fund transfer, deposit, and transaction history** using JSON-server to simulate API calls.
 - Enabled **fund transfer functionality between user accounts** with validation and transaction integrity.
 - Focused on **clean UI/UX design** and efficient **state management** for smooth data handling and dynamic interactions.
 - Used **JSON-server to mock backend APIs**, enabling testing of CRUD operations during development.
- (Live: <https://shreya9808.github.io/React-banking/>, Repo: [Shreya9808/React-banking](#))

React Portfolio Website — Personal portfolio built with React.

- Developed responsive single-page application with React, React Router and component-based architecture.
 - Implemented responsive design, performance optimizations, and deployed
- (Live: <https://shreya9808.github.io/Portfolio/>, Repo: [Shreya9808/Portfolio](#)).

Technical Skills:

- Primary Skills:** JavaScript and Reactjs
- Secondary Skills:** Python, Django
- Other Tools & Technologies:** HTML, CSS, Git, Bootstrap, REST APIs, MySQL.
